

Monkey Pillow...or Snuggle Monkey

1. Sew face, eyes, nose, and mouth onto right side of front of monkey.
2. Sew and stuff legs, arms and tail.
3. Sew ears.
4. Attach ears, legs, and arms to front of monkey.

5. Attach tail to right side of back of monkey.

6. With right sides together and all monkey appendages inside of pillow, sew front and back together, leaving space at the top to stuff.
7. Turn pillow inside out and stuff.
8. Hand or machine stitch the pillow closed

Leave open in order to turn right side out and to stuff
